Dr. Dan Undersander

Dr. Dan Undersander grew up on a dairy farm in central Minnesota. He is professor of Agronomy, coordinating the multi-department Extension forages program and conducting research on grazing, forage production, forage harvesting and forage utilization. He has authored or co-authored over 1400 articles including 100 refereed journal articles, 120 extension publications as well as numerous conference proceedings and other publications.

Dr. Dan Undersander is a fellow of the American Society of Agronomy and of the Crop Science Society. He has received the highest awards of the American Forage and Grassland Council, the National Alfalfa Improvement Conference, and the American Society of Agronomy. Dan has worked with farmers across North and South America, Eastern Europe and China.

ABOUT OUR SPONSORS

www.haycenter.com

- Central Alberta Hay Centre, serving Central Alberta since 1983. We specialize in Forage Equipment of all kinds, from Seeding and Tillage equipment right through to Cutting, Baling and Feeding.
- Our main lines of new equipment are Kuhn, Kuhn Knight, Anderson, Haybuster, McHale, Dion, Vermeer, and HLA. We also carry several other lines of related short line equipment that are specialized to help you with all your haying needs.
- Our service staff has over 20 years experience repairing Bale Processors, Round Balers, Bale Wrappers, and all other Haying Equipment in our shop. Our staff are well trained and have excellent factory backup to get you going when things aren't going right.

PERFORMANCE
SEED

www.performanceseed.ca

Performance seed has quickly built a strong reputation for supplying the "Top Performing Seed Product" from trustworthy seed professionals by:

- Selecting top performing seed products - be it Export Timothy to Ultra Hardy Alfalfa to Cover Crops
- Conducting local testing - pound for pound, one of the best programs in Alberta.
- Being innovative - introducing an industry-best annual legume program.
- Creating a support system for our customers - via our industry leading replant "No Hassle" warranty.

www.canadianhayandsilage.com

Canadian Hay & Silage Ltd. is an Alberta-based company with locations in Barrhead and Bowden (with dealers located in BC, Saskatchewan, Manitoba and Ontario).

- We offer a variety of quality hay and silage products, such as Net Wrap, Twine, Silage Covers, Silage Wrap, Hay Preservers and Inoculants.
- We are also selling and delivering Grain Bags to farmers across Alberta and Saskatchewan.
- In the off-season we spend a great deal of time researching products from around the globe for high quality and competitive pricing.
- We stand behind our products and in fact, use them ourselves.
- When given sufficient notice we can often offer free delivery in most parts of Alberta and some areas in Saskatchewan.

Farm Credit Canada www.fcc-fac.ca
